Josper Grill

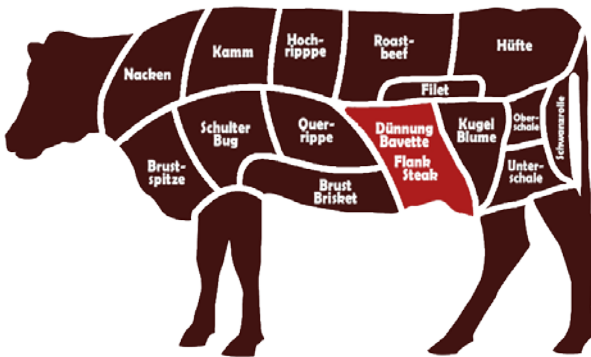

From 6:00 pm with the special aroma from Josper Grill

Rye bread with spanish Aioli Cream

3,90

The thermometer is at 350 degrees. The charcoal is glowing for hours, but only now it is just right: Hot! The raw meat, finely marbled with a thick layer of fat and with bones, touches the grate, it hisses, begins to sizzle, first little clouds of steam rise up.

The door of the Josper grill is closed. „-After A few minutes the next guest in the restaurant can look forward to a unique pleasee“.
